A Breakdown of Tonight's Activities

Check-in: Please see the check-in table to let us know you're here and why you came!

Activity 1: Now or Wow!

Each person in the circle will take 15 seconds (that's all!) to tell the room their name and something new, good, or exciting happening in their lives. Got a new puppy? Scored an A on a math test? Simply made it through the day? Let us know!

I'm Tim and I'm new to Montgomery.

My name is Sally and I had an awesome day!

Activity 2: Share-A-Care

It's time for some good community conversation. At this time, anyone in the room is open to suggest a topic for a small group discussion.

Share your cares with us!

Want to start a book club? Need some help gathering people for neighborhood cleanup? Wondering what people are thinking about something happening in your community?

Throw it up on the board!

After about 6 discussion questions are suggested, everyone will be able to break off into discussion groups based on each suggestion. Feel free to jump to the group that best interests you!

I'm a parent here and I want to talk about starting a PTA.

I want to plan an event in the neighborhood!

Activity 3: Community Connect

Now that we are all acquainted... Let's get to the good stuff.
Is there a specific need you have? An interest you'd like to expand on? A connection you need to be made?
Now's the time to do it. In this activity each person will be able to voice a need to the group. Need a tutor?
Need a carpool buddy?
Need to make a quick connection with someone else in the room? Do it now!
Can you assist with someone else's need?
Let them know!

I need a math tutor for my son.

I need a new part-time employee at my business.

We need more participants in our program!

Activity 4: Match & Act

Now that you have voiced your needs and connected with others, it's time to match up and exchange information!
Use our Match & Act cards to connect with you Community Connection and come up with next steps that work best for you.

I know someone looking for a job! Let's exchange contact information!

Wrap Up: Be sure you signed in and take our exit survey on the way out! Don't forget your next action steps. We'll see you next time!
